UPDATE: Please note the description in the Required line in the first image below.

Greetings

Please read below for the official PTO/time away from work process. This applies to both Mayo employees and contractors.

Mayo Employees: You do not have to request time off in UKG before taking PTO – just follow the instructions below. You will need to add it to UKG prior to approving that pay period's timecard.

If you have any questions, please let us know.

Thank you ~
James, Riza, Stephen & Lilly

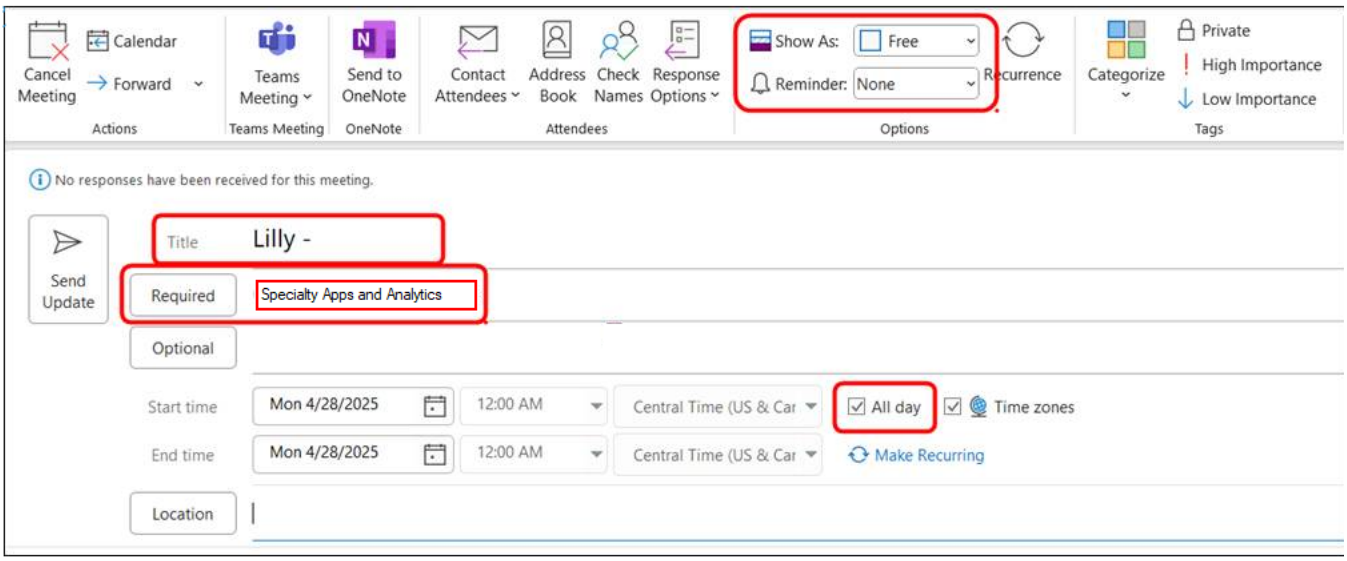
****

Requesting time off is a two-step process. Step-by-step process for each of the items is below.

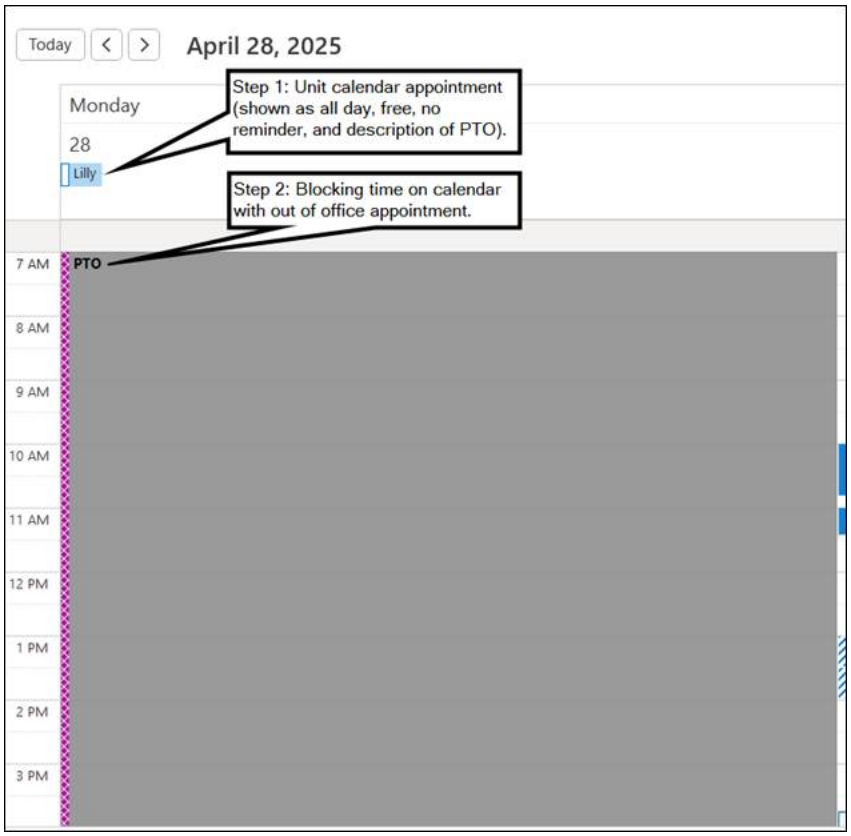
1. Create an all-day, no reminder, FREE meeting notice and include SpecAppsAnalytics@mayo.edu.
2. Create a meeting notice to block time on your personal calendar.

Step 1: Create unit-wide meeting that will be accepted/declined by team lead or manager.

- Show As: FREE
- Reminder: NONE
- Title: [your name -] PTO (or whatever applies)
  NOTE: If requesting half day, please use the same info above but show the title as "Lilly – PTO am/pm"
- Required: SpecAppsAnalytics@mayo.edu
- All Day: CHECKED



Step 2: Block personal calendar for time away



Thank you ~
Lilly
